

What Habitat for Humanity does

Habitat's vision serves as the basis of what we do: **Everyone deserves a decent place to live, and everyone can do something today to help make that possible for another family.**

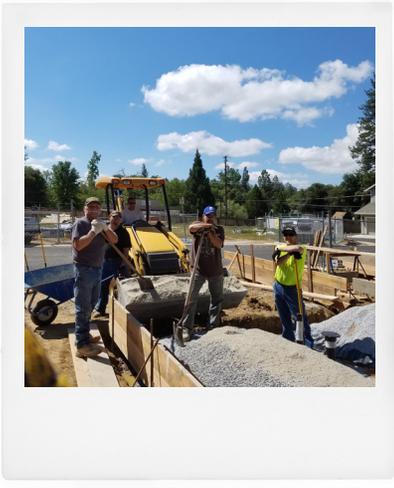

Each year, Habitat for Humanity of Tuolumne County works to raise money to build up to four homes for Tuolumne County's workforce.

Selected **homebuyers must be able to pay a mortgage, demonstrate a need and must be willing to partner with Habitat, including putting in 300 hours of sweat equity.**

Homebuyers often report coming from substandard housing, overcrowded conditions and unaffordable rents.

You and your staff can partner with Habitat to build a place a Tuolumne County family can call home.

With your help, Habitat homeowners achieve the strength, stability and independence they need to build a better life for themselves and their families.
